

Quality Policy

BGY INTERNATIONAL SERVICES s.r.l. intends to consolidate its role as a highly qualified handling agent, able to provide high standard quality handling services which can meet customers needs and expectations (carriers, passengers, freight forwarders and other operators), through a constant comparison with the best and innovative European airport technologies.

BGY INTERNATIONAL SERVICES s.r.l., headed by a conscious leadership, wants to be a financially solid company, attentive to human factor, in which, starting from the highest management levels, the pursuit of profit coexists with full compliance of the applicable requirements and a balanced employment development that encourages professional growth and improvements in safety and which exalts the values of mutual respect, dignity of people and of justice.

BGY INTERNATIONAL SERVICES s.r.l. aims to ensure and improve Quality targets through its own Quality Management System, planning prevention activities able to manage possible risks, converting them into opportunities and strengthening the link among business strategies, organizational structures, fair management and reasonable satisfaction of all parties involved.

This policy is periodically reviewed to ensure its relevance and adequacy, and it is disclosed to all BGY INTERNATIONAL SERVICES s.r.l. employees, as well as to its suppliers and customers.

It is available to the public, to all parties involved and to anyone who requires it.

Grassobbio, 1st June 2017

The Chairman
